“Won’t you revive us again, so your people can rejoice in you?” Psalm 85:6 NLT

“Revive Us Again” Asking God to Spark Revival in America with Korean Intercessors.

May 3 - May 8, 2023

2023 marks the 50th year anniversary of the Billy Graham Korea Crusade that sparked a revival in Korea. To say thank you and to pray for revival in America, 41 teams of Korean intercessors are coming to join us to pray in 41 American cities. San Diego County Coordinators Thomas Bush and Pastor Matthew and Amy Stoehr are leading this effort.

Prayer Points: *Cry out to God in prayer for revival for the Body of Christ in America. Start with yourself. Pray for cleansing and rebuilding of the Body of Christ in your region! **Could God use you and your people to bring revival to your church, family, community, and nation?***

1. Pray for humility and openness for all who attend to hear the voice of the Lord. Pray that God would move all obstacles keeping His people from hearing from Him. Isaiah 57:14-15, 66:1-2 “He who has an ear, let him hear what the Spirit says to the churches.” Revelation 2:11

2. Pray that believers would understand the true state of the church. The church has departed from the Lord. Revelation. 2:4-5, 2:14-16, 3:1-3, 3:15-19.

- **Pray that church leaders would see the church as the Lord sees it.**
- **Pray that all would hear what the Spirit is saying to the church - and repent.**

3. Pray for personal renewal for Body of Christ leadership toward the mission of the church. “God works through leaders to call the people back to Himself.” Pray that leaders would be examples to others in the Body. 1 Peter 5:1-4, 2 Peter 3:9-12, 2 Timothy 2:19-24

4. Pray that God would use His leaders to call the church to fulfill its mission. Ephesians. 4:11-13, Colossians 1:27-29, Acts 6:4.

5. Pray that the Body would submit to the leaders God has given them. Remembering them, imitating their faith, following sound doctrine, and exercising their gifts. Hebrews 13:7, 9, 14-17, 1 Timothy 4:12-14, 1 Peter 4:10-11.

6. Pray that God would use the renewed church to reach the lost and rebuild our communities. Titus 2:11-15, 1 Timothy 2:4, 2 Timothy 2:25-26

7. In addition, please pray for the event itself:

- For those planning the event, the event details, and technology used for the event.
- For God to protect communication and relationships of those leading and attending the event.
- For God’s purposes to be fulfilled and the enemy’s purposes to be thwarted.
- That God would guard the travel and schedules of all He wants to attend.
